

2019-2020 City League

YMCA Squash Players Needed

The Kingston City Squash League will begin the 2019-2020 season on September 23, 2019.

For anyone (new players) interested in playing on either of the “C or D” level YMCA or St. Lawrence College teams, please contact Terry FitzPatrick (see below). There will be tryouts in August and early September.

We are always looking for players - in case there are openings during the season.

Players must be available to play every (or most) Monday nights during the season. Games are played at the Kingston YMCA, Garrison (RMC), or Queen’s.

We also have 2 “A/B” level teams. We will refer those players to the appropriate team captains.
